## Announcement

In presenting to you this catalog, we take real pleasure in extending a cordial invitation to all farmers and breeders of Shorthorn cattle to be with us on this sale day whether in the market for cattle or not.

Our herd was established in 1907 by W.B. Robinson & Sons, and represents fifty-seven years of constructive Shorthorn breeding. Through the use of outstanding herd bulls at all times, and the addition of superior females with unquestionable breeding, we have been able to produce quality cattle that have ranked high in shows and sales, and increased the popularity of Shorthorns in our territory.

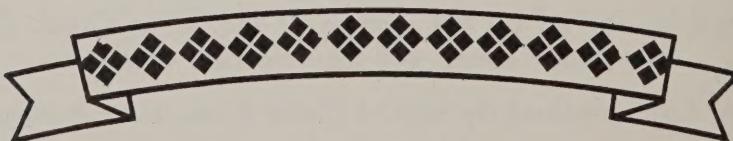

It is a great source of satisfaction to have our old friends and customers coming back year after year with their favorable comments on former purchases. We have learned that our best advertisement is satisfied customers, and with that fact in mind we are offering a clean, healthy lot of cattle, just in good breeding condition which will insure their future usefulness and make money for the purchaser. Our large herd, maintained at peak production, affords an opportunity for buyers to secure good cattle produced in a practical manner under ordinary farm conditions.

We are selling several daughters and granddaughters of Prince Willingdon, who was one of the best bulls we have ever used. Prince Willingdon was Champion and top selling bull in the 1951 Wisconsin Shorthorn Breeders Sale. His dam, Bessie Charm, was one of the best imported cows in America at that time, and his sire, MF Prince Peter 5th was a son of Perth Supreme Champion, Calrossie Prince Peter.

We are selling nine daughters of W.L. Bank Standard 23d, the bull we owned jointly with E.W. Maurer of Fayette. He was purchased from W.C. Anderson & Son. He is by N-Bar Prince and out of Nanlouei Secret, dam of the 1954 International Grand Champion Bull, Viking 4th. We are retaining several Bank Standard cows in the herd.

We have used Kickapoo Freelancer for two years and we are selling 15 bred and open heifers and 8 club calves from the first crop of calves. These calves and heifers look very promising and there are some very good 4-H prospects in the group.

We are quite proud of the sale offering which we are presenting to you. We believe that they are an excellent group of healthy cattle which should be money-makers for their new owners. It will be noted that these cattle are a well bred lot tracing to some of the most prominent bulls in America today.

KICKAPOO FREELANCER - Our present herd bull was purchased in the Illinois State Sale in 1962. He stood second in class and was second high selling bull in the sale. He is by Bapton Majestic and his dam, Kickapoo Floss is by Calrossie Highland Chieftain. Kickapoo Floss is a full sister to the Reserve Grand Champion bull at the 1960 International. The array of successful sires that appear in Freelancer's pedigree should be considered an important factor in selecting a herd sire. Several of his first crop of calves are being shown as 4-H club steers and heifers and to date two of these steers have won their classes at county shows and a heifer has been named Champion Shorthorn heifer at the strong Benton County Fair.

ROMANY PATROL - Is the bull that was used on Prince Willingdon and W L Bank Standard 23d cows. We had the misfortune to lose this bull after three year's use. During that time he sired for three years in succession the Champion Shorthorn steer at the Delaware County Fair, Grand Champion heifer at Linn County and All Iowa fairs in 1963 and Champion Shorthorn steer at Linn County Fair in 1963. In the large number of 4-H steers and heifers by him shown at various fairs in the area, every one was first prize winner or a blue ribbon calf. Five of the bulls and nine of the females in the sale are by him.
